Environmental Policy Act (NEPA) Policy and Compliance
GC-1, FORS, HQ

FROM: Steve C. Taylor, Manager

A handwritten signature in black ink, appearing to read "Steve C. Taylor", is written over the name in the "FROM:" line.

SUBJECT: Annual NEPA Planning Summaries for FY 2007

FILE No: 1020F3a

In response to your memorandum dated December 12, 2006, the following information is provided for all field locations managed by the Kansas City Site Office (KCSO) in Missouri and New Mexico.

Status of Ongoing NEPA Compliance Activities:

No ongoing activities.

Environmental Assessments expected to be prepared in the next 12 months:

As the Lead Agency, GSA will complete an Environmental Assessment for the planned Kansas City Responsive Infrastructure Manufacturing Sourcing project.

Environmental Impact Statements expected to be prepared in the next 24 months:

No Environmental Impact Statements planned.

Planned cost and schedule for completion of each NEPA review identified:

GSA anticipates the cost for the Environmental Assessment will be under \$100,000 and shall be completed by August 2007.

Evaluation of Site-wide Environmental Impact Statement:

We do not anticipate that a site-wide Environmental Impact Statement will be necessary for future NEPA compliance efforts at the Kansas City Plant.

Please contact Curtis Roth, KCSO NEPA Compliance Officer, at (816) 997-5713 if you have any questions concerning this report.
